- You've taken the *Stewards of Children* course and read the policies in the Children's Ministry Handbook.

Volunteer Tasks

- Work independently, take initiative, be dependable, and pay attention to details.
- Communicate with the Director of Nursery & Preschool and the Director of Elementary Education to determine the needs of the week, then read the lesson to determine what items are needed before preparing the items.
- Come in to the church at some point during the week to place unused materials back in storage.
- All materials are provided and training is offered.
- If any inventory is low, or certain equipment is malfunctioning or missing, notify the staff immediately.

Ministry Win

- To have all supplies prepared, organized, and ready for the Wednesday and Sunday teams.
- To provide ready materials so teachers can focus on interacting with the children.
- To help keep supply areas organized so the Children's Ministry team can easily access materials.
- For children to develop a personal relationship with Jesus.

Per church policy, there must be two volunteers in each room with children.
If children arrive early with only one volunteer/staff member present,
please contact Children's Ministry staff or combine with another class until second volunteer/staff is present.
